## 2014 HOWELL MOUNTAIN ZINFANDEL

“Presented with the dense extract and rich new oak to parallel the ambitions of a Napa Valley cabernet, this succeeds in a grand and powerful style. The fruit is expansive enough that it subsumes the oak influence into its volcanic minerality, bringing to mind obsidian as the grape-skin tannins add a glint of tension to the finish. Scents of roses and bay laurel provide detail within the wine’s depths. This has a decade of development ahead.”
